July 1, 2009

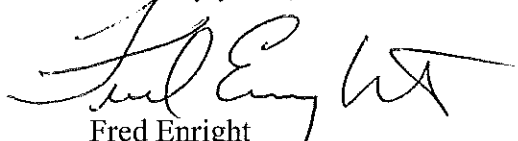

Dear Client,

Due to increased cost for test reagents, supplies, and personnel costs as well as a reduced funding base from state monies, the Louisiana Animal Disease Diagnostic Laboratory must raise prices effective July 15, 2009 by approximately 10%. The new fee schedule will be located at our Web site ([http:// laddl.lsu.edu.](http://laddl.lsu.edu))

We appreciate your business and will continue to serve our clients with the highest quality diagnostic services that can be provided.

Please do not hesitate to call the laboratory at (225-578-9777) if you have any questions regarding these matters.

Sincerely yours,

Fred Enright  
Interim Director
